Alexandria, VA 22313-1450

Sir:

In response to the Restriction Requirement dated November 24, 2006, Applicant elects Group 1, claims 13-18 for examination. This election is made without traverse.

Also, Applicant notes that a Preliminary Amendment was filed on December 15, 2004, which added claims 17 and 18, but the Restriction Requirement addressed only claims 1-16. Applicant assumes that the Examiner intended to include claims 17 and 18 in Group I and requests examination of claims 13-18.

Applicant reserves the right to file a Divisional Application directed to non-elected claims 1-12.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.
